Louisville Horse Show.

The entries for the Louisville Horse Show closed last Saturday with the largest number of horses ever entered. The show will be held at the armory in Louisville each night during the week commencing Monday, October 10. All the railroads leading into Louisville have reduced their rates on account of the show so that people from the country can go to Louisville and return for much less than the usual fare.

More than 100 entries were made by Alfred G. Vanderbilt of Newport, R. I., and Paul A. Sorg of New York, alone, and the famous horses of Lawrence Jones and many others throughout the United States will also be in the ring each evening. One of the most attractive features in the show will be the four-in-hand coach races between Mr. Vanderbilt, Mr. Sorg and Mr. Jones. Mr. Vanderbilt will bring to the show his road four with which he won the race last spring from Arrow Head Inn to Madison Square Garden in New York, driving through the crowded city streets at the rate of more than eighteen miles an hour. Mr. Sorg will be represented by his coach and four, which last week broke the world's record at White Plains N. Y. by going a mile in 3:14, the best previous time having been 3:51. Mr. Jones has what is considered by many to be the finest road team in the world and the rivalry between the three will be very keen and the performance spectacular. It may be stated that a great majority of the famous harness horses of the world will be at the show, together with all the crack saddle horses of Kentucky.

One difficulty which the management has heretofore had has been in securing an attraction which would be of interest to those of the general public who do not care enough for fine horses alone to go to the show. It was a hard one to remedy because of the fact that there are so few things that will fit in with a fine show of the character given. This year, however, the problem was solved by securing the consent of Miss Lucille Mulhall and her sister, Miss Mildred Mulhall of Mulhall, Oklahoma, to come to the show and bring their string of wild bronchoes. They will have nine of these untamed horses of the plains and will give exhibitions of horsemanship each night, which are marvelous and which it is confidently predicted will serve to fill the building with spectators. It seems impossible that any person could ride one of these horses for a minute, as they display every one of the vicious qualities that have ever been heard of or written about in connection with the typical broncho, yet these young ladies have apparently not the slightest difficulty in conquering them, although it is true that the performance is exceedingly dangerous. Both of the sisters are beautiful young ladies and are famous throughout the West. Miss Lucille is the original of Reid's famous painting "The Girl from the Golden West" which has attracted great attention in the art world.

The public sale of seats will commence on next Monday, and the general admission has been placed at 50 cents while the reserved seats are only \$1.00. The boxes for the single night are \$12 and \$15. In order to afford people out of town the opportunity to have reservations made in advance, the management of the show will be very glad to attend to the matter of securing seats for any person who will communicate with the Kentucky Horse Show Society, Equitable Bldg., Louisville, Ky.

Facing death from shot and shell in the civil war was more agreeable to J. A. Stone, of Kemp, Texas, than facing it from what doctors said was consumption. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." For coughs, colds, lagrippe, asthma, hemorrhage, hoarseness, croup, whooping cough and lung trouble its supreme, 50c and \$1.00. Trial bottle free. Guaranteed by Oberdorfer.
